

# CASE STUDY

**Extreme poor woman are vocal for getting their rights and Entitlements.**

Prayer for getting VGD Service information

**V**ulnerable Group Feeding (VGD) Program in the biggest Social safe - tee net program of the Government. Bounced for the development life style & ensures food security of the female members of the very poor family. Through this program the communication of sustainable development of the stakeholder moment in targeted to include in the main stream of National Development. The UP Chairman hoped & expressed that proper selection procedure would be taken to select stake holders for the financial year 2017-2018, as results of proved Social accountability, development of the law of the Rights of information, Social Audit etc. Sitting on Rights of information's Good Governess helps develop awareness on VGD programs in the general peoples. To increase the participation of local people in the VGD program & giving ideas on the activities of Union Parishad court yard meeting being organized & very poor women are becoming vocal for their Rights.
